From the Author of The 'Little
Engine That Could.'

Get up John!
We've got our
inspection today!

Who gives
a shit?

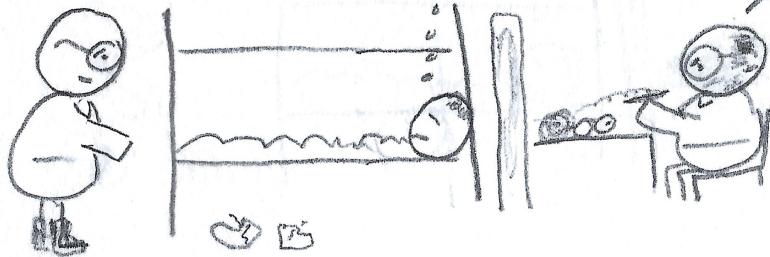

Shut the fuck
up over there!

Your shoes aren't
even under your
bed!

How'd you
like them
up your butt?

Darrrnit!
I missed
a stitch!

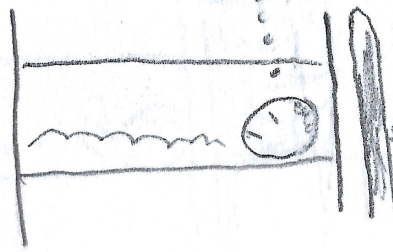

That's ok,
I'll clean up
myself.

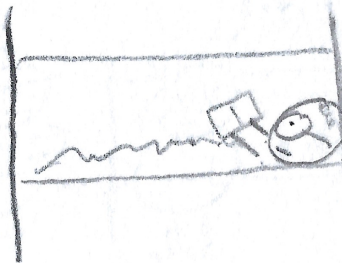

Whistle
why you
work

Oh my
God.

I can't
take it
anymore

Oh no, the
inspection
people are
here.

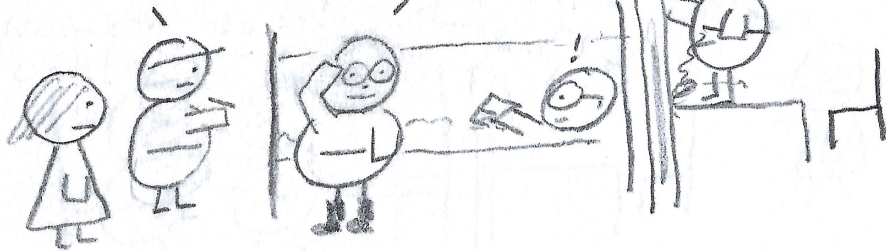

You want your
mouth knitted
shut?

This place doesn't
look as shitty as
it usually does.

Ready For
inspection,
sir.

Weenie!
